EXPERIENCE

Senior iOS Developer **Wolfpack Digital**, remote April 2019 to present

- Delivered production iOS applications across fintech, banking, health, media and sports
- Took products from an empty repository through to App Store release
- Owned features end to end, from requirements and architecture through to release, in fully remote cross functional teams

iOS Developer **Garmin** August 2016 to April 2019

- Contributed to Garmin Connect, used by millions of people worldwide
- Implemented the Sleep, Respiration, Hydration and Achievements tracking features
- Built the “My Day” screen and the leaderboard, integrating multiple data sources with complex UI, animation and real time sync

Junior iOS Developer **Small Footprint** March 2015 to August 2016

- iOS applications and features for the Operation Christmas Child app

STACK

LANGUAGES

Swift · SwiftUI · Combine · Objective-C

UIKit · Core Animation · Core Data · Core Graphics · Core Location · Core Bluetooth

ARCHITECTURE

MVVM · Coordinators · Modular architecture · async/await · GCD

NETWORKING

REST · URLSession · Alamofire

TOOLING & TESTS

Git · Bitrise · SwiftLint · SPM · XCTest · Instruments

ENGAGEMENT

Auto-entrepreneur in France, invoicing directly. No notice period, no portage. Long term engagements, six months or more. Remote, with on-site visits of about three days every two months when needed.

AI NATIVE

Claude Code is part of my daily workflow. It is also how I took over the Android side of a banking product I built on iOS, and now ship maintenance and new features there.

EDUCATION

BSc Mathematics and Computer Science

Babeş-Bolyai University, Cluj-Napoca, Romania
